### Flag Returned to State.

Norman, Okla., Oct. 10.—Tattered and torn by its nine years of service with the citizen soldiery of Oklahoma, the old flag of the first regiment, Oklahoma national guard, has been deposited with the historical department of the University of Oklahoma for permanent preservation. The ensign is in shreds with no part intact except the seal of the state of Oklahoma. Its place has been taken by a new banner, donated to the men by the summer school students and the faculty of the state school.

All that remains of the once beautiful flag was brought up from the border Saturday by Major John Alley, in ordinary times professor of government at the University of Oklahoma. It was turned over to Major Alley by Colonel Roy V. Hoffman when the new banner was presented in September. The relic has a peculiar historical value, as it was the first state regimental flag.

"The Oklahoma boys have the best camp of any of the state militia," Major Alley declared on his return. He is on a fifteen days' furlough from border duty.

## LID GOES ON TIGHT IN THE COUNTY TODAY

JUDGE ISSUES INJUNCTION AGAINST SEVERAL PLACES WHERE IT IS ALLEGED THE LAW IS BEING VIOLATED.

County attorney Hardy appeared before the district court yesterday and asked that injunctions be granted against several resorts in the city and county and that the sheriff be instructed to close the places and keep them closed until further orders of the court.

The injunction was granted and the order issued as prayed for and two alleged resorts in Ragtown were ordered closed as well as four places in that portion of the city of Ardmore known as the reservation. The sheriff will proceed to carry out the orders of the court at once.

It is alleged that the places designated in the petition have been harboring habitual violators of the law and for the benefit of the good name of the county should be closed permanently.

BOSTON BRAVES FIELD AND 40,000 SPECTATORS WHO WITNESSED OPENING GAME.

SCENE AT BIG GAME ON BRAVES FIELD. —MANAGER CARRIGAN, OF THE RED SOX

Because of the greater seating capacity of the Braves' National League park in Boston, the first two world's series games between the Red Sox and the Brooklyn Nationals were played there instead of in Fenway park, the home grounds of the Red Sox, led by Manager Bill Carrigan. Enthusiasm

over the world's series ran riot throughout the Hub. Announcement by the Red Sox authorities that every one of the 27,000 seats available for reservation at Braves' field had been covered by applications was evidence of the popularity of the Sox and the series. The demand for reserved tickets was so tremendous that many thousands of dollars had to be returned by the American league club through inability to fill orders. The "Royal Rooters" are once more on the job, and will be at Ebbets field as well as at Braves field. John McKillop, leader of these ardent enthusiasts, who have rooted the Sox to two world's championships, reported that President Ebbets of the Brooklyn club had promised an adequate supply of tickets for the Boston party which will follow the fortunes of the Sox throughout the series.

Ebbets Field, Brooklyn, Oct. 10.—To turn the tide that has been carrying them from the baseball championship, the Brooklyn Nationals made a back-to-the-wall fight against the Boston Americans today and were returned winners, outthitting and outfielding the Red Sox.
